## Catamaran **EXCESS 11**

Docked in the **Heraklion Venetian Port in Crete, Greece**, our **brand new EXCESS 11 catamaran** (designed since 2019, bought in 2023) stands halfway between a traditional Monohull and other cruisy catamarans, such as a Lagoon. This **11.33 meters sailing cruiser multihull** is the perfect compromise between comfort and sailing performance, able to accommodate up to 10 guests and a two member crew.

Her innovative interior space and habitability features **4 double cabins, 2 bathrooms with separate showers, a large saloon, a fully equipped kitchen and two spacious cockpits** ideal for sunbathing, relaxing, or gatherings with your family and friends. The yacht has a fiberglass / grp hull with a CE certification class (A) and can navigate in the open ocean.

That is the synthesis of the **EXCESS 11** spirit: a boat with a racy design, that is also light and comfortable both under way and at anchor!
