MOTOR YACHT BIANCA
Nimbus T11
The Ultimate Dayboat

BIANCA - Nimbus T11

Leisure Yacht's **BIANCA** is a **Nimbus T11** modern motor yacht; the perfect day boat for all activities in typical Nimbus fashion.

The T stands for Tender, and this is a new interpretation of the Nova and R series – a multifunctional, snug, quick walk-around vessel that easily adapts to its area of use.

Big and flexible socializing spaces, plenty of room to move around, proper protection from the sun that covers a large part of the boat and several spots to lie back and sunbathe or lounge.

Packaged in contemporary Scandinavian design, Leisure Yacht's **BIANCA** is a 12.4-meter-long walk-around vessel for excursions with plenty of space for up to 12 people to socialize or take part in activities, while also providing enough room for everyone onboard to face the direction of travel when moving at higher speeds.

Simplicity and flexibility

- Large lounge area
- Adjustable seating arrangements
- Multiple sun-beds
- Outdoor cuisine
- Gyro stabilization
- XXL stoawage for gear and togs
- A large bathing platform with room for several people

Feel natural and easy

Lounge & large socializing spaces

Exceptionally generous

The boat's heart is found in its lounge area. This is an extra spacious and multifunctional socializing space that can be easily adapted to different activities, such as cruising, sunbathing, swimming, entertaining, lunch and dinner or a quiet afternoon of reading in the shade.

The bathing platform and the after-deck are ample and easily provide enough space for several people at the same time.

The surface areas are exceptionally generous and the freedom of movement you get onboard is palpable – not just in the lounge area, but on the after-deck and the foredeck as well. The boat is far from being over-furnished and freedom of movement is something that you truly feel whenever you step onboard.

The foredeck offers room for a divan and a sun bed. Below deck you will find two separate cabins with space for two couples or a family of four. Spacious bathroom with toilet, shower and sufficient headroom.

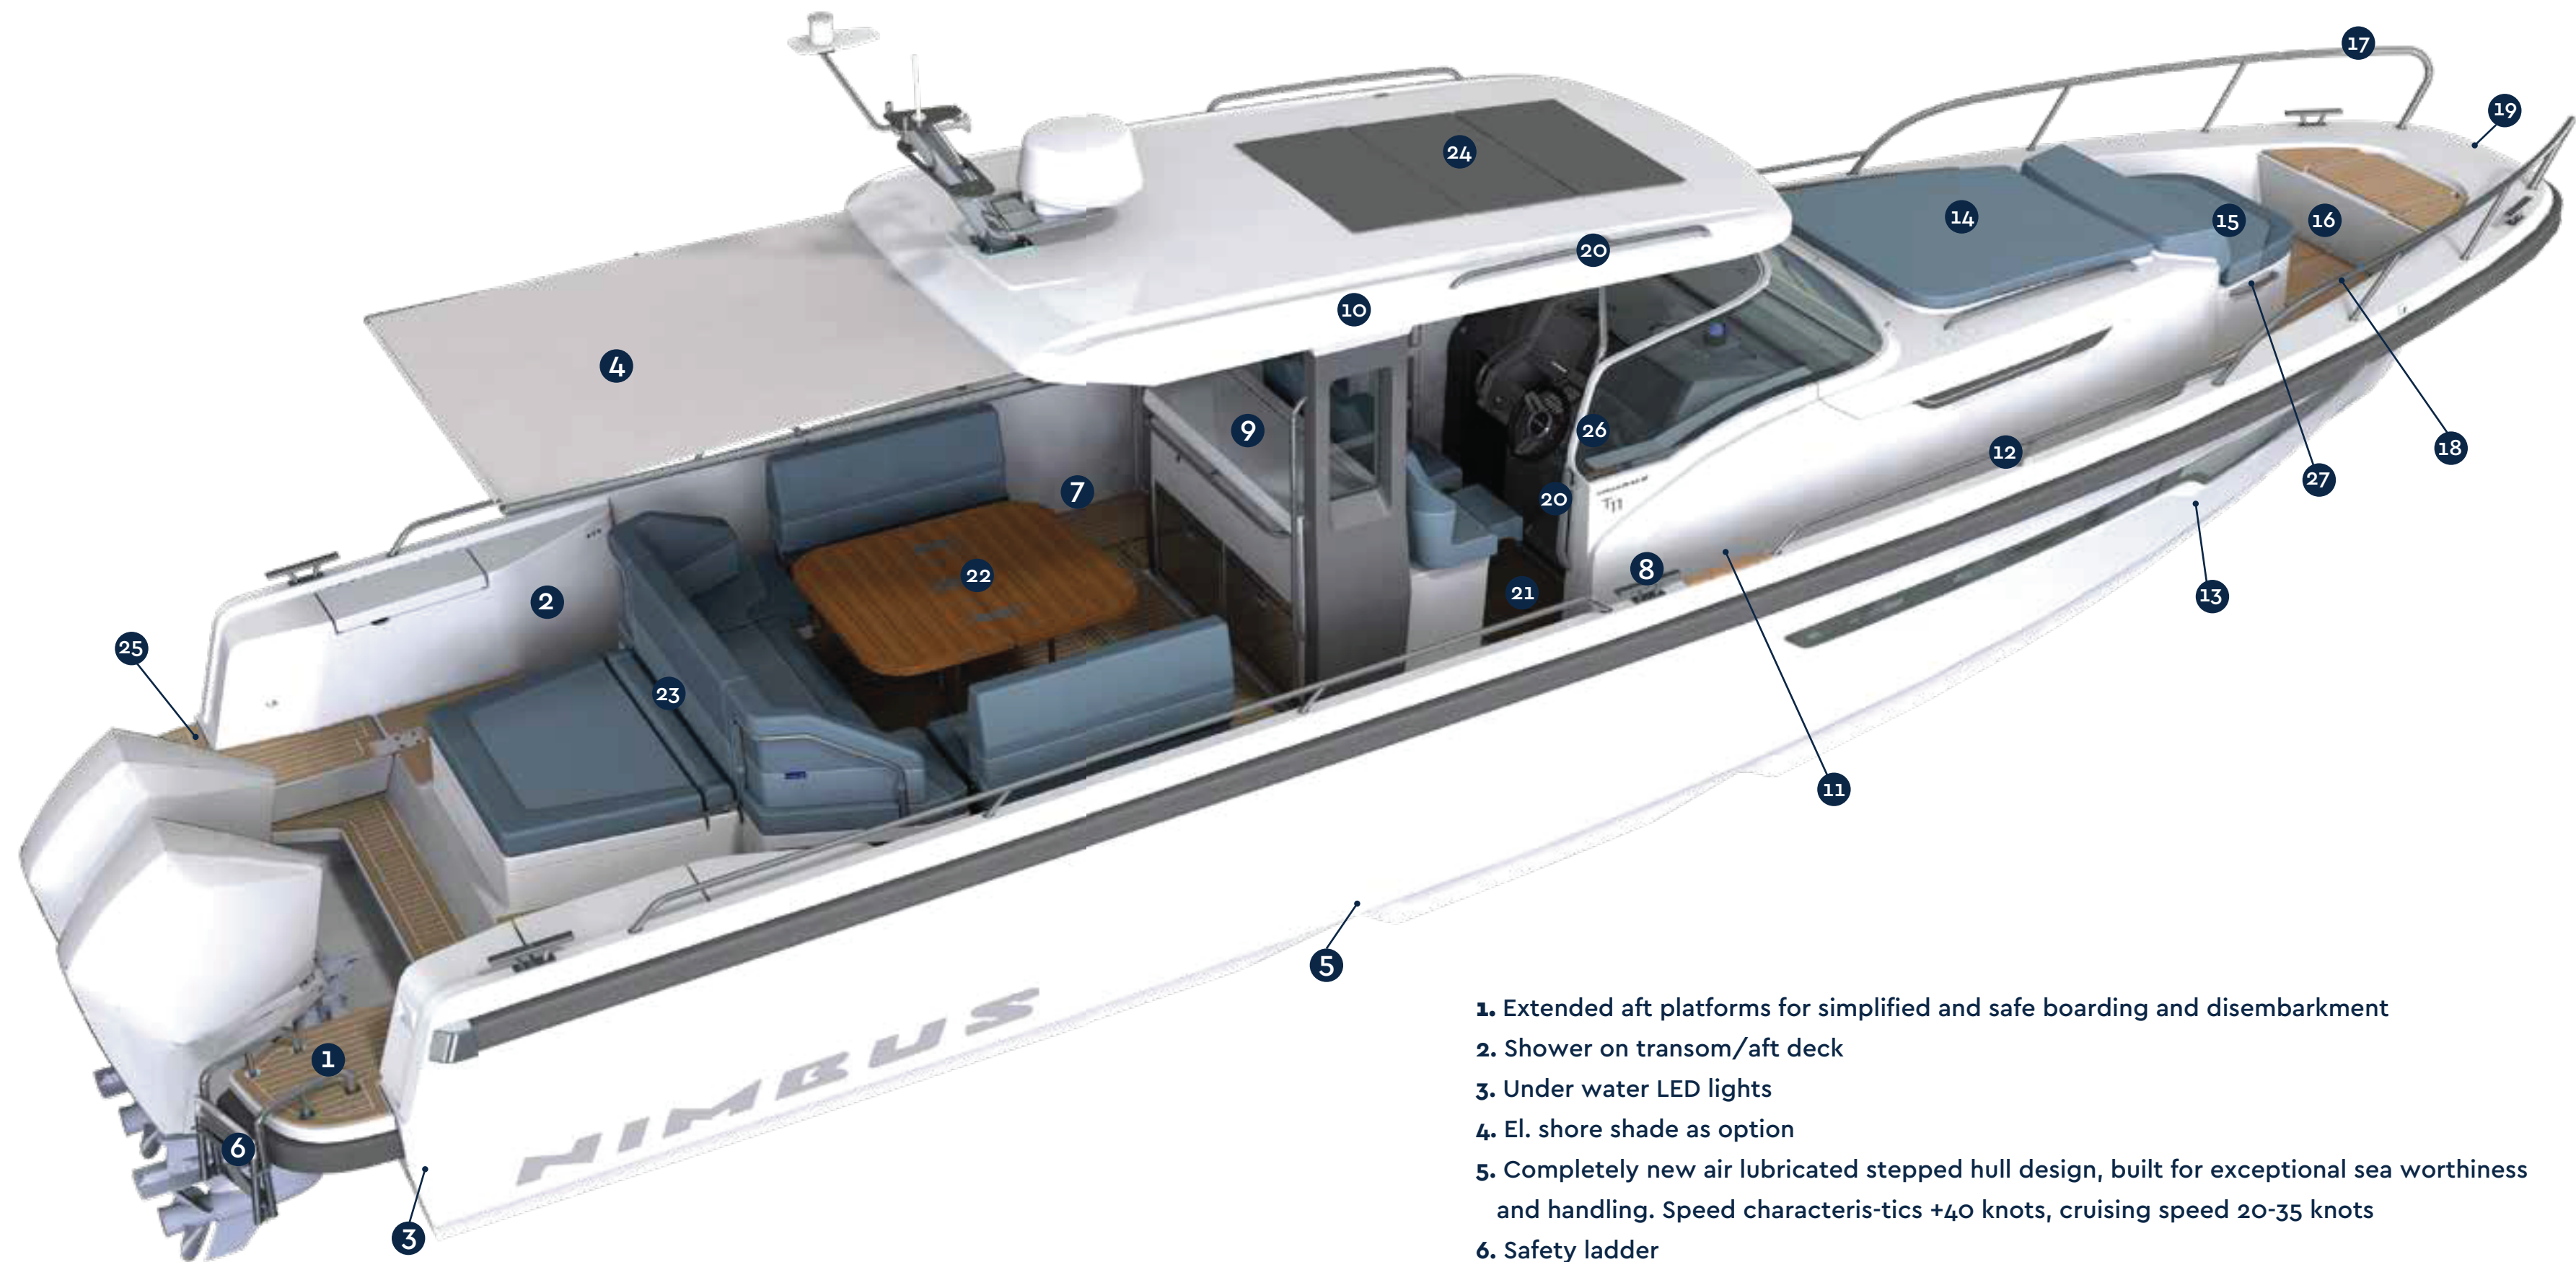

BIANCA is equipped with two
Mercury Verado V8 300bhp motors
